Subject: Keep ICE Out of Santa Clara County!

Hello,

My name is [REDACTED] and I live in San Jose. I am writing because I urge the Board to NOT cooperate with ICE, under any circumstances, that means NO notifications, NO transfers, NO communication and NO access. Our local policy keeps families together, helps victims and witnesses come forward, and protects due process for everyone, including immigrants. I urge your office to stay strong and NOT to water down due process protections for immigrants.

Furthermore, I understand that a representative from ICE may be present at the upcoming Board of Supervisors meeting. I strongly urge the Supervisor to make sure that doesn't happen. Having anyone from ICE present at a public meeting will scare our immigrant community and deter them from attending the upcoming Board

meeting as well as future meetings.

Thank you,
